Nominal savings contributions (below) is a monthly amount that's added to the member's day-to-day benefit on Supercharged Savings Plans and Supercharged Flexible Savings Plans. If a member has carry-over Fedhealth Savings at the end of the year, it goes into this savings account. Day-to-day claims are paid from this savings first and then, once depleted, from the member's Fedhealth Savings. Any savings leftover from a previous scheme also gets paid into this account when a new member joins.
